protect gun owners' rights in so-called "gun free zones," and he also drafted legislation to protect the privacy of concealed carry permit holders.

Also joining us is Tim Gillespie, Director of OK2A.org, the premier nocompromise Oklahoma gun rights organization.

GOA is holding meetings throughout the country to help educate the public about the Obama administration's failures with Operation Fast and Furious and how the President bypasses Congress to assault the Second Amendment. Please come out and meet GOA's Larry Pratt, George Faught and others in this important discussion in the battle over the right to keep and bear arms in America.
