

Tim Macy has been on the Board of Directors of Gun Owners of America since its inception over 35 years ago.

GOA is a non-profit national organization formed to protect and promote the Second Amendment nationally.

Mr. Macy helped GOA Founder and Chairman, Senator H.L. Richardson, form GOA by personally calling and getting commitments from all of the original members of the GOA Advisory Board in early 1975. Mr. Macy is Vice-Chairman and Director of Political Affairs, overseeing all operations of Gun Owners of America and specifically picking targets in Presidential, U.S. Senate, Congressional and Gubernatorial elections for GOA's affiliate, Gun Owners of America Political Victory Fund. He also oversees, along with GOA Executive Director Larry Pratt, the affairs of Gun Owners Foundation, the 501C-3 non-profit education and legal arm of GOA.

He is also Vice-Chairman of Gun Owners of California and oversees all operations of GOC, along with GOC Executive Director and Chief Lobbyist Sam Paredes. Macy has been a consultant to candidate's campaigns and a fundraising consultant to organizations, candidates and committees, personally raising millions of dollars for these groups and individuals during his career. He is an avid hunter, fisherman and outdoorsman.
