SOME OF THE THINGS YOU WILL

LEARN AT THIS BRIEFING:

- Why a major economic downturn or collapse must occur to accomplish the elitists' goals
- How to "Stormproof" your assets
- How the game is "rigged" with our debt based economy and debt based money system
- The projected timeline and how to prepare yourself mentally, physically, and spiritually and even prosper in these uncertain times
- How Obama's healthcare plan is rationing of care
- The next economic bomb to drop that will rock financial markets
- Specific Actions you can take to protect your family and friends from the impending Economic & Political Crisis
- Will the bailouts and stimulus packages work? How will they affect you?
- What happens if the US defaults?
- Is there a planned destruction of America?
- Your Economic & Political risk during the Obama administration
- How Obama and the Democratic Controlled Congress are corrupting America with socialism
- Strategies on how to deal with the planned confiscation of IRA's, 401K's, and private pension plans
- Washington secrets politicians don't want you to know
- How to have a peaceful Revolution and restore the rule of law
- How to prevent identity theft and insure personal privacy
- The role of pastors and church leaders in these uncertain times
- Signs of the apocalypse and how to recognize them
- The role of the Council of Foreign Relations and how it fits in with current events

Dr. Larry Bates, an economist, is Publisher and Editor of *Monetary and Economic Review*, a quarterly economic and financial publication that analyzes the economy and financial markets from a geopolitical perspective. He is also Publisher and Editor of *Unravelling The New World Order* a month-

Larry Pratt has been Executive Director of Gun Owners of America (GOA) for over 30 years. GOA is a national organization of 300,000 members dedicated to promoting our constitutional government and our freedom to keep and bear arms. Pratt has appeared on numerous national television and radio programs such as: NBC's To-

day Show, ABC's Good Morning America, CNN's Crossfire and Larry King Live, Fox's Hannity & Colmes, MSNBC's Phil Donahue and Dan Abrams show and many others. He has debated Congressmen James Traficant, Jr. (D-OH), Charles Rangel (D-NY), Rep. Carolyn McCarthy (D-NY), Senator Frank Lautenberg (D-NJ), and Vice President Al Gore, among others. His columns have appeared in newspapers across the country. His latest book, *On the Firing Line: Essays in the Defense of Liberty*, was published in 2001. He previously published the book, *Armed People Victorious*, in 1990. He also was the editor of *Safeguarding Liberty*. Pratt has held elective office in the Virginia State Legislature, serving in the House of Delegates. Pratt directs a number of other public interest organizations and serves as the Vice-Chairman of the American Institute for Cancer Research.

ly exposé of how government, financial, and religious insiders are deciding your future. These publications have subscribers in all 50 states and twenty-three foreign countries. Bates is a former bank CEO and taught money and banking for the Bank Administration Institute and the state college system in Tennessee. He is a former member of the Tennessee House of Representatives where he chaired the Committee on Banking and Commerce. He is an internationally recognized speaker on political systems, the Federal Reserve, and how they affect the economy and your assets. Bates is Chief Economist for FAMC Economic and Political Consulting Group. Dr. Bates is also CEO of the Information Radio Network/IRN USA Radio News and is the author of the best selling book *The New Economic Disorder*.

Paul McGuire is a radio talk show host, television commentator and author from Los Angeles. Paul has written 16 books including "Are You Ready?" and "The Day The Dollar Died." Paul McGuire regularly appears on the Fox News Network, Fox Business Network, and CNN on "Your World with Neil Cavuto" and "The No Spin Zone with Bill O'Reilly". Paul is a professor at the King's College where he teaches Bible prophecy. He has interviewed world leaders like former President Jimmy Carter, Senator John McCain and Israeli Prime Minister Ehud Olmert. Paul has interviewed Secretaries of State, Secretaries of Defense, White House

Press secretaries, Senators, Congressmen and CEO's of major corporations. The History Channel recently did a 2-hour special with Paul entitled "Seven Signs of the Apocalypse." Paul recently returned from New York City where he visited the United Nations and the Council on Foreign Relations for a video documentary he is producing. Prior to being a conference speaker and author, Paul produced a number of feature films in Hollywood. In his latest book "The Day The Dollar Died," Paul exposes the plan to devalue the dollar in order to bring in a one world currency and one world government. Paul was one of the first radio talk show hosts in the nation to "blow the whistle" on the coming merger of Canada, Mexico and the United States. Paul McGuire asked former White House Press Secretary Tony Snow if there were plans for a North American Union and Snow denied there were. Paul wrote "The Day The Dollar Died" to warn people that there is a global plan to destroy the individual sovereign nation state and create a one world government. Paul believes that if American's don't wake up and stand for their Constitutional rights that we are very close to becoming a totalitarian state.
